

Technical specification

Butterfly Valve

| | |
|------------------------|------------------------------|
| Project ref. | Asepti (Nederland) B.V. 7001 |
| Model | LKBF |
| No. of units | 1 |
| Item number | 9612402734 |
| Name | VALVE LKB F 63,5/2½" ISO W/W |
| Description | EPDM 316L |
| Customs statistical no | 84818085 |

| | |
|------|-----------|
| Page | 1 of 1 |
| Date | 12-9-2025 |

Butterfly Valve

| | |
|----------------------------|-----------------------------|
| Port size | 63.5 / 2½" |
| Port connection standard | ISO |
| Port connection | Welding ends / Welding ends |
| Internal surface finish ID | Ra 0.8 |
| External surface finish OD | Semi-bright |
| Customer documentation | None |

Materials

| | |
|----------------------------|------|
| Product wetted steel parts | 316L |
| Other steel parts | 304 |
| Elastomers | EPDM |

Actuation

| | |
|-----------|------|
| Actuation | None |
|-----------|------|
