

Technical specification

Unique SSV/7000

Project ref.	Asepti (Nederland) B.V. 7001
Model	Unique SSV - Reverse Acting
No. of units	1
Item number	9618381838
Configuration code	SSV(1):7619011SW1H202SRSSUNNNN
Name	VALVE UNIQUE SSV 51/2 011
Description	RA WELD NO 0.8/BLASTED HNBR MAINTAINABLE

Page 1 of 1
Date 15-8-2026

Valve basics

Valve function	Shut off
Actuation function	Normally open
Manual	No
Aseptic	No
Tank outlet	No
Supplied with flange	No
Regulating manual	No
Regulating	No
Kv-value	No
Positioner w display	None

Valve body

Port size	51mm / 2 Inch
Pipe standard	ISO
Body combination	011
Tangential	No
Tangential orientation	No
Y-body	No
Port B	Welding ends
Port D	Welding ends

Product wetted seals

Elastomer	HNBR
Plug Seal TR	None

Actuator

Long Stroke	No
Two step	No
Maintainable	Yes
High pressure	No
Low air pressure	No
Pressure relief	No

Options

Surface Finish ID	0.8
Surface Finish OD	Blasted
Atex approved	No
